MOTION BY MAYOR MICHAEL D. ANTONOVICH AND SUPERVISOR HILDA SOLIS

In recognition of the centennial anniversary of the Armenian Genocide, the Board of Supervisors should create a plaque in Grand Park honoring the 1.5 million victims of this tragic event. Los Angeles County is home to the largest Armenian population outside of Yerevan and a plaque would be a fitting memorial.

I, THEREFORE MOVE that the CEO's Office report back in 1 week with a budget, feasibility and location for a plaque commemorating the 100th Anniversary of the Armenian Genocide.
